

# A PRAYER FOR ME AWARENESS WEEK

**ME Awareness week starts on Sunday 12<sup>th</sup> May. Please ask your minister or elders to pray for those suffering from ME/CFS.**

As we begin ME. Awareness Week  
We ask you to give patience,  
Courage and hope to those suffering  
From M.E and other conditions of  
Chronic Fatigue and strength to  
Those who care for them.  
Increase the sensitivity of doctors.  
The compassionate understanding of  
Family, colleagues and neighbours.  
And the skill of the researchers  
As they seek a cure.
